09/26/2017		MINUTE ORDER: Upon consideration of Defendant's Motion for Extension <u>12</u> , the motion is hereby GRANTED in part and DENIED in part. As per this Court's Standing Order in Civil Cases, "[a]bsent extraordinary circumstances, contested motions for extension of time sh[ould] be filed at least three business days before the relevant deadline." See Dkt. <u>3</u> at 5. Here, the Court ordered Defendant to respond to Plaintiff's operative complaint "on or before September 25, 2017," Minute Order (Aug. 3, 2017), but the Court did not receive Defendant's motion for an extension until that same date. In addition, Defendant has not made a specific showing of a need for an extension of the length requested but, rather, merely notes that counsel is "diligently working to resolve this case as well as many others" and that counsel is deciding whether the "proper course of action" would be to file a motion to dismiss rather than an answer. Dkt. <u>12</u> at 1–2. Nonetheless, the Court will grant Defendant a two–week extension, and will hereby ORDER that it file its response to Plaintiff's amended complaint on or before October 10, 2017. Signed by Judge Randolph D. Moss on 9/26/2017. (lcrdm1,) (Entered: 09/26/2017)
